10 Great Reasons To Do Fundraising Online With GreatMoods

1. Free Fun, Personalized Fundraising Website for every Student or Member of every Club, Team, School, Group, Organization, Church or Community.
2. Great selection of fundraising products are at the Greatmoods Shopping Mall for any person of any age. Everyone is a potential customer or recipient of products for every season, reason or occasion.
3. Cash Next Day! 35% of every product sold is deposited directly into your group's PayPal account 24/7/365 days a year, forever!
4. PayPal: The most trusted and fraud proof online order processing system for the consumer market today is used to process every order. All transactions and distributions of cash can be tracked for years.
5. This one Fundraising Program offers 3-5 significant income opportunities a year, with one simple setup. Start any time you want, to raise funds as often as you want. This Program is great, Spring, Summer, Winter or Fall.

6. Thanks to the Internet, every student or member has the ability to solicit orders and have them delivered to anyone, anywhere across the country. Fundraising is no longer limited to family in town or neighbors next door. Friends or family across the country can easily support the fundraiser because it's online. Even Grandma or Grandpa living in Florida or Arizona can order.

Selling door-to-door really isn't required because all of your Fundraising can be done online with Friends, Family and Neighbors from a laptop or cell phone.

7. We Deliver! Everything! Everywhere! You don't touch the product, because it is delivered straight to the designated recipient (even when it's for you)!
8. It's a Free Fundraising Program, Now and Forever. No cost of anything to anyone, EVER. All you have to do is add new members and delete old ones a couple times a year.
9. New, Absolutely! Facebook is new, Twitter is new and Texting is new. Personalized Fundraising Websites by GreatMoods are new, and being new and online is certainly a good thing for all your Students, Members and potential Supporters.
10. New to Technology? Never worry about that. With today's tech savvy kids and family members. This Fundraising program can be setup in no time at all and is easily maintained like a Facebook or Twitter Account.
